BIM's Test Series 1.0 for CHSL / CGL Exam – 2026

Commencement: 10th October 2026

- **32 Tests + 3 Final Model Exams** will be conducted.
- The complete CHSL / CGL syllabus will be systematically **divided into 4 segments**, enabling students to prepare in a focused, structured and targeted manner.
- The Test Series will commence from 10th October 2026 and **will be conducted on Saturdays and Sundays**.
- **Every Test will comprise 120 questions**, providing students with regular, comprehensive and exam-oriented practice.
- **Each Test will cover two subjects**, ensuring balanced preparation and continuous revision across the syllabus.
- Every test will be followed by **detailed discussion by the respective faculty**, covering important concepts, solutions, mistakes, shortcuts and examination-oriented approaches.
- The discussions will enable students to identify their weak areas, strengthen concepts and improve speed, accuracy and overall exam performance.
- **12 Months of Current Events will be covered** through comprehensive notes and detailed discussions, supporting continuous preparation for the General Awareness section.
- Students **will have access to a Study Hall for one month during the final examination preparation period (from 10.30 AM to 4 PM – on all weekdays)**, commencing from the date of announcement of the CHSL and later CGL exam, providing a dedicated environment for intensive revision.
- The **Test Series will be limited to 100 students**, ensuring a focused, disciplined and conducive environment for final revision.

32 Tests + 3 Final Model Exams | 120 Questions per Test | 2 Subjects per Test | 12 Months Current Events | 1-Month Study Hall

Focused Testing. Detailed Discussion. Intensive Revision. Exam-Ready Preparation.
– **Detailed schedule of 1st segment is given below – Other three segments will be sent after registration.**
